

Bangladesh Country Coordinating Mechanism (BCCM)
Ministry of Health and Family Welfare
BCCM Secretariat

TOR for Intern- IT Support and Website Maintenance

Background:

The Bangladesh Country Coordinating Mechanism (BCCM) was established in July 2002 in response to the requirements of the Global Fund (GFATM). Its primary role is to access and oversee the management of funds received from the GFATM and to complement Bangladesh's efforts to fight the three diseases, namely HIV/AIDS, Tuberculosis and Malaria. As one of the key elements in the Global Fund architecture, BCCM is central to the GFATM's commitment to national and local ownership of the country proposals and to inclusive and participatory decision-making by a variety of national and international stakeholders. The BCCM Secretariat was established to facilitate the functioning of the CCM through providing administrative and logistic supports. Maintaining rapport and constant communications with all the stakeholders has been one important responsibility of the Secretariat. The Global Fund documents, publications including the founding documents to be published on the BCCM website regular basis and on demand. To inform CCM stakeholders update about BCCM activities, decisions and the GF activities and updates. In order to notify BCCM Members and alternate members, PRs, SSRs as well as observers about different meetings and events related to BCCM needs regular and continuous maintenance of BCCM website. For this reason, the BCCM Secretariat is in need of Intern Professional from qualified IT support and Website maintenance for next one-year monthly honorarium basis.
