He requested the meeting to endorse the meeting decisions.

Decision: *The 46th meeting of the BCCM Oversight Committee endorsed decisions of 45th BCCM Oversight Committee meeting.*

Agenda Item # 2: Update on C19RM Funding Request.

BCCM Secretariat: BCCM Coordinator informed the meeting that Bangladesh have prepared C19RM Wave-2 which was endorsed in 116th BCCM meeting on 02 March 2027. It was planned to submit by 20 March 2023. But The Global Fund Country Team, during their visit in Bangladesh, suggested to submit the proposal by 12 May 2023 so that proposal development committee can concentrate on Grant Cycle 7 funding request. Accordingly, C19RM Wave 2 Funding will be submitted by 12 May 2023.

He also informed the meeting that The Global Fund Country Team is visiting Bangladesh and conducting meeting with Management Staff of PRs and other development partners. PRs requested to reschedule the Oversight Committee meeting but considering the upcoming FR submissions and busy schedule of Ministry Officials, it could not be done. He requested PRs' representatives to update the meeting if there is any change in the funding request which was endorsed.

PR representative(s): Dr. Mushfiqur Rahman, Program Operation Advisor, NMEP informed the meeting that proposed activities are same endorsed. He presented the proposal in brief (presentation attached as annexure A) and focused on following issues:

- Considering the timeline of submission and other procedure, the program implementation has rescheduled to January 2024 - December 2025.
- The exchange rate has been updated according to the current rate. As exchange rate of US dollar has raised against BDT, the total requirement of fund in USD has changed and updated accordingly.

Dr. Tasmiah Selim, Senior Manager, BRAC informed the meeting that they have considered the same exchange rate previously. Thus, C19RM Wave 2 application remained same as endorsed. She presented summary of the funding request (attached herewith as annexure B).

Md. Akhtaruzzaman, Senior Manager, ASP informed the meeting that HIV program has only one activity i.e. nutrition support for PLHIV. He also informed the meeting that it was discussed and endorsed in last BCCM meeting.

Decision(s): *The 46th meeting of BCCM Oversight Committee acknowledged the progress of C19RM Wave-2 Funding Request.*

Agenda Item # 3: Update on HIV PRs' management cost review.

BCCM Secretariat: BCCM Coordinator informed the meeting that the Global Fund has requested to consolidate non-government HIV PRs' grant. In response to this recommendation, previous Oversight

Committee Chair Kazi Zebunnessa Begum, Additional Secretary (former), World Health Wing, Health Services Division conducted separate meetings with HIV PRs, HIV Experts from Oversight Committee and related Development partners. The issue, including results of these meetings were discussed. BCCM Oversight committee formed a committee, headed by Joint Secretary (WH), HSD, to review the program management cost non-government HIV PRs'. The review committee visited icddr,b and Save The Children to review their management cost and find a way to reduce management cost. Both PRs has proposed to keep their program management cost within 22% where the Global Fund set standard will be maintained. The review committee also conducted another meeting to decide recommendation for non-government HIV PRs' on management cost. BCCM Coordinator requested Dr. Saima Khan, Country Director, UNAIDS and member PRs management cost review committee to present summary of their visit and meetings.

PRs Program Management Cost Review Committee: On behalf of the review committee Dr. Saima Khan, Country Director, UNAIDS explained that two PRs of HIV grants are working with different key population where both have significant success. Moreover, the program is working for integration with Government Health System. Thus, any change in PRs will hamper the integration process as any new PR will require to start implementation after establishing trust with the KP communities and this will require time. Besides, grant consolidation will not save significant amount of money. In these circumstances, continuation of current PRs is important for the sustainability of the program.

Dr. Saima Khan also informed the meeting that during the visit the team reviewed program management costs of both PRs and recommended a decrease in the program management costs. On the matter of the decrease proposed by Save the Children, she mentioned that the team agreed that the SCI headquarter costs should be considered for further decrease than proposed and the decrease made for in-country staff costs could be less considering program quality.

Both PRs opined that they will be able to maintain program management cost below 22%. As the Global Funds' ceiling is 25%, agreed limit should be acceptable to The Global Fund.

The Chairperson: The Chairperson of the meeting requested all concerned to comment on the outcome of the activities by PRs Management Cost Review Committee. If all members agree with the outcome/recommendations of the committee, it will be sent to next BCCM meeting.

Oversight Committee member(s): Dr. Asif Mujtaba Mahmud, Senior Consultant, Asgar Ali Hospital and TB Expert Member of BCCM Oversight Committee queried about the 22% limit is imposed by whom. He opined that if it is imposed, it may hamper their program planning standard.

PRs Program Management Cost Review Committee: Dr. Saima Khan replied that the limit was set by these PRs themselves. The committee identified some cost items during the visit and discussed about possible reduction. According to the discussion, they committed to set the limit. She also raised concern about the consequence if LFA verification finds the program management cost above 22%.

PR representative(s): Dr. Shamim Jahan, Deputy Country Director, SCI Bangladesh confirmed that there is no chance of exceeding the limit in the budget later on as they are adequately experienced with LFA verification. He also opined that the consequences of deviation from the decisions are well known to every stakeholder specially PRs. Thus, there is almost no chance of deviation from the decision presented here.

Dr. A. K. M. Masud Rana, Program Coordinator, icddr,b also agreed with Dr. Shamim Jahan and expressed their commitment also.

Decision(s): *The 46th meeting of BCCM Oversight Committee acknowledged the PRs' management cost review committee activities.*

The 46th meeting of BCCM Oversight Committee also decided to send the recommendations of the Management Cost Review Committee to next BCCM meeting.

BCCM Secretariat: BCCM Coordinator informed the meeting that Bangladesh has submitted TB and Malaria Funding request for Grant Cycle 7 on 20 March 2023. These requests have been reviewed by The Global Fund country team and updated after discussion with respective PRs. Updated funding requests have sent to Technical Review Panel for their review and approval.

According to the decision of 115th BCCM meeting decision, Bangladesh is going to submit HIV/AIDS funding request under Grant Cycle 7 allocation for the period of 2024-2026 by 29 May 2023. He also informed that BCCM Secretariat has requested for BCCM meeting date within 15-20 May 2023 as HSD Officials including Hon'ble Minister, MOHFW will be busy with World Health Assembly during last 10 days of this month. As the funding request needs to be endorsed before submission i.e. 29 May 2023, BCCM meeting should be organized before 20 May 2023. In this circumstance, he requested HIV Funding request development committee to submit first draft by 10th May 2023 so that BCCM Secretariat can share with stakeholders for their comments and feedback providing adequate time. He requested ASP representative to update the meeting on the progress of funding request development.

PR representative(s): Dr. Shah Mohammad Jashim Uddin, Director ASP informed the meeting that funding request development is in progress. They are planning to submit first draft on 12th May 2023, if allowed.

BCCM Secretariat: BCCM Coordinator opined that HIV Funding Request sharing on 12th May 2023 will be okay for public sharing and stakeholder sharing.

PR representative(s): Md. Akhtaruzzaman, Senior Manager, ASP added that they are considering USD 27.39 million as budget ceiling in total for three PRs (\$25.39m HIV allocation, \$01m incentive fund and \$01m for removing human rights and gender barriers).
